

Ambulatory Emergency Care Nurses

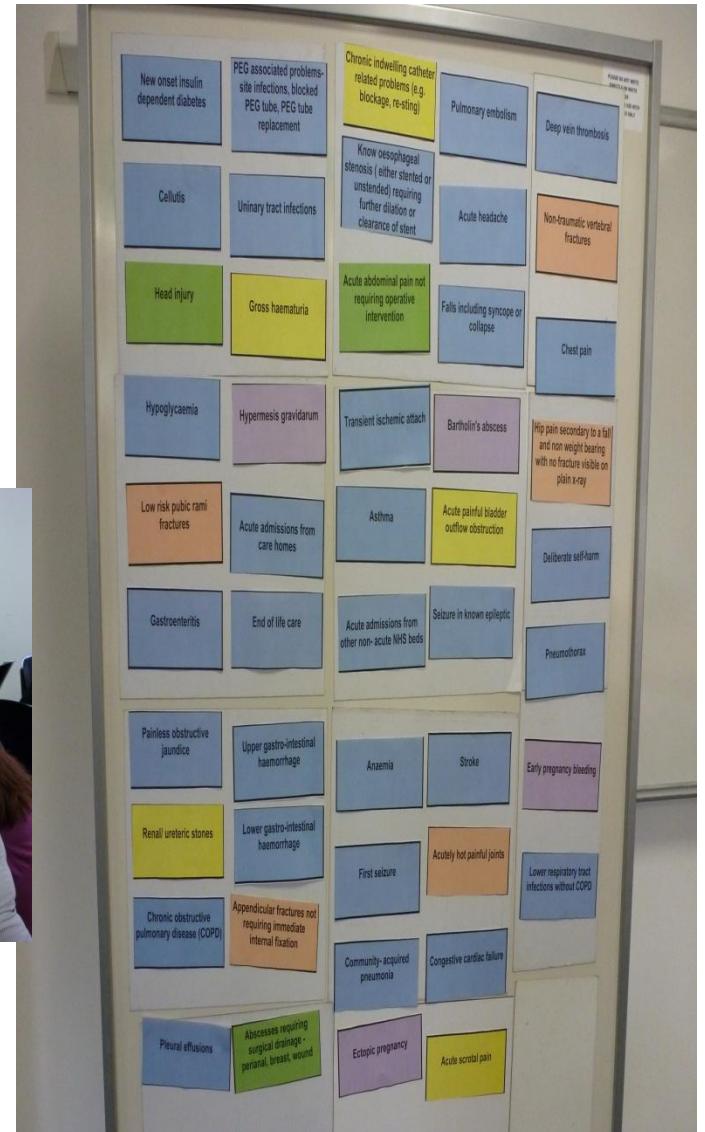

Background

An overview of how AEC nurses worked together to understand how they could influence and shape the future adoption and spread of ambulatory care.

Tools Used

- Brain writing
- Pathway analysis
- Wants and offers
- Guess Who
- Statements

Pictures showing - Guess Who and Identifying nurse led pathways

Aims

- Learn from Day case
- Understand knowledge and skills AEC nurses need
- Identify nurse led pathways
- Brainstorm new ideas
- Learn from each other
- Plan next steps

Outputs

- Outline KSF's
- Nurse led pathways identified
- Nursing times article
- 540 ideas generated
- Statements to support AEC
- Ongoing RCN support

Next Steps

- Nursing press articles
- AEC 2012 directory to indicate nurse led pathways
- Ideas to inform next cohort
- RCN to devise web page
- AEC to feature in RCN newsletter
- AEC presentations at next RCN conference
